

Danna McKitrick's clients receive prompt, attentive representation in all aspects of insolvency law as it relates to:

- Individual Bankruptcy and Workouts
- Business Bankruptcy and Workouts
- Creditors' Rights
- Purchasers

Our Bankruptcy Law Team is led by Tom DeWoskin, who has practiced in this area for nearly 40 years, and served on the panel of Bankruptcy Trustees for the Eastern District of Missouri for more than 35 years. We represent creditors, both secured and unsecured, Chapter 11 creditor committees, and debtors. We provide representation in formal bankruptcy cases, receiverships, private workouts, and other out-of-court procedures. We also represent business clients who find it advantageous to purchase assets or sometimes entire companies out of bankruptcy.

Our corporate and bankruptcy lawyers work together closely to seek the best possible results for our clients, providing assistance in tax, real estate, employment and general corporate law, as well as litigation. We offer a wide variety of competencies you can rely on as a business owner or as an individual.

Our attorneys represent you in loan restructurings and workouts. We negotiate standstill and forbearance agreements for clients in high-risk situations, and are involved in all aspects of foreclosure and high-value commercial collection.

Whether creditor or debtor, we will aggressively represent your interests. For serious bankruptcy representation, look no further than Danna McKitrick.
